

NEW! Healthier Options for New Ulm Concessions

Great news!

The Heart of New Ulm's Food Environment Action Team has partnered with Gutes Essen Deli & Catering at Oak Hills Living Center of New Ulm to offer schools and athletic associations new, healthier concession options.

- Your organization must arrange for pickup from Oak Hills Living Center.
- You may mark up the prices however you choose.
- If cold storage is an issue, there are often grants available. Contact Kaitlin Gawrisch with the Heart of New Ulm for more info at 507-217-5491 or Kaitlin.Gawrisch@allina.com.

How it works:

- 1 Choose the concession options you wish to offer from the menu below and indicate quantities.
- 2 Fill out the order form below and e-mail to Jessie Weisbrich at catering@oakhillsnewulm.com.

(Take a photo to email if needed). She will contact you to confirm the order.
- 3 Include the name of your pickup person and requested day and time for pickup. All orders require a minimum one-week advance notice (more notice is preferred).

Looking for additional options? Contact Oak Hills Catering via email above or call (507) 233-0814.
