# Join us for Walk to School Day!

Wednesday,  
October 12, 2022

This is a great opportunity to experience the benefits of walking to school if your children are usually dropped off in front of the school. Additionally, it's a great way to celebrate if walking/biking is your norm.

- Students from New Ulm Middle School, Jefferson Elementary, St. Paul Elementary and St. Anthony Elementary are invited to walk to school along with parents, teachers and community leaders in a "Walking School Bus."
- There will not be any organized groups for biking, but we highly encourage students (and their parents) to bike to school on their own.

For more information about Walk to School Day, visit [www.walkbiketoschool.org](http://www.walkbiketoschool.org).

## How:

- To participate, students can be dropped off at one of the two locations by the designated leave time.

**New Ulm Medical Center: 7:30 a.m.**

**Turner Hall Parking Lot: 7:40 a.m.**

- Volunteers and community leaders will supervise students on a morning walk to school.

If it is not possible to participate in the Walking School Busses, you can still encourage your child to walk or bike to school with a friend.
